

Mystery Quilt 2016-2017 – Beginner’s Skill Level

Clue 1

Solving the Mystery

Line up your groups of suspects. Set your machine for 10-15 stitches per inch (usually a setting of 2). Plug in your iron and don your sleuth cap!

Use the mug shots of your suspects to help you follow the clues to solving the mystery. Be sure to sew with a consistent $\frac{1}{4}$ " seam allowance.

Clue 1, step 2. Make 40

Clue 1, step 4. Make 40

*Clue 1

1. Gather forty $3\frac{1}{2}$ " x $3\frac{1}{2}$ " feature squares and forty $3\frac{1}{2}$ " x $3\frac{1}{2}$ " contrast squares.
2. Sew the feature and contrast squares in pairs, as shown. Press the seams toward the contrast squares.
3. Gather the remaining 40 contrast squares and forty $3\frac{1}{2}$ " x $3\frac{1}{2}$ " coordinate squares.
4. Sew the contrast and coordinate squares in pairs, as shown. Press the seams toward the contrast square.

** This ends Clue #1 **
